## BUSINESS LICENSE TAX GENERAL INSTRUCTIONS - FORM PT-440

### FILING REQUIREMENTS

All financial institutions located in the State of Georgia are required to file a Form PT-440 in all jurisdictions that impose the business license tax if that institution has a full service office located within that jurisdiction. The filing deadline is March 1<sup>st</sup> of each year. Returns should be mailed to the local (city and/or county) official(s) responsible for receiving and processing those returns.

### TAX RATE(S)

### ALLOCATION OF GROSS RECEIPTS

The tax is based upon the gross receipts of the financial institution or a portion of the gross receipts if the institution has more than one full service office. (1) Where there are fewer than five (5) branches or bank office, in addition to the principal Georgia office, the total gross receipts are allocated in equal shares to each location.  
(refer Schedule 2)

(2) Where there are more than five (5) branches or bank offices, the total gross receipts allocated to each location shall be computed by first allocating 20% of the total to the parent bank and then allocating the remaining 80% in equal shares to the branches and bank offices.
