## CR-05 - Goals and Outcomes

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan.**

**91.520(a)** This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

In accordance with the federal regulations found in 24 CFR 570, the City of Dalton has prepared this Consolidated Annual Performance and Evaluation Report (CAPER) for the period of July 1, 2022 to June 30, 2023. The CAPER presents the City's progress in carrying out projects and activities pursuant to the Program Year (PY) 2022 Annual Action Plan for the Community Development Block Grant (CDBG) funds it received from the United States Department of Housing and Urban Development (HUD) to principally benefit low-to-moderate-income individuals in the City.

The 2022 CAPER describes and evaluates how the City of Dalton invested formula funds from HUD to meet affordable housing and community development needs. This annual report also provides a general assessment of the City's progress in addressing the priorities and objectives contained in its Five-Year 2019–2023 Consolidated Plan (Con Plan).

The City of Dalton has successfully utilized CDBG and CDBG-CV funds by increasing housing assistance for low and moderate income persons and allocating CDBG and CDBG-CV to local non-profit organizations to provide essential social services for the homeless, LMI persons, and non-homeless special needs population.

The City of Dalton identified the following goals during PY2022:

1. Increase and Improve Affordable Housing
2. Reduce Homelessness-Public Service
3. Prevent/Reduce Homelessness-Public Facility
4. Enrich Community Services
5. Administration and Planning

## HIGHLIGHTS

### **CDBG EXPENDITURES**

A total of **\$367,388.70** in CDBG funds were expended during the program year to address a wide range of community development needs. CDBG funds were allocated for affordable rental rehabilitation, operating costs for various populations including low-income youth, domestic violence victims, homeless Latino households, public facility park improvements, and planning and administration. The following provides a highlight of some of the projects that were completed in 2022.

A total of **\$18,548.51** in CDBG funds was expended for public services activities for low-income households served by Northwest Georgia Family Crisis Center, Inc.

A total of **\$66,532.22** of CDBG funds was expended by the City of Dalton for administration and planning activities.

A total of **\$14,511.77** in CDBG funds was expended for public services activities for low homeless or at-risk of homeless Latino households served by Latin American Association.

A total of **\$ 2,889.00** in CDBG funds was expended for public services activities for operating costs for student tuition for low-income families served by Friendship House.

A total of **\$10,492.00** in CDBG funds was expended for public services activities for scholarship program for low and moderate teens served by Boys & Girls Clubs.

The City of Dalton through the Dalton Housing Authority utilized **\$103,915.20** of CDBG funds to rehabilitate existing affordable rental housing units for LMI households plus special needs and/or homeless individuals.

The City of Dalton through the City of Refuge also utilized **\$100,000.00** of CDBG funds for public facility renovations consisting of roofing repairs.

The City of Dalton through the Parks & Recreation Department utilized **\$50,500.00** of CDBG funds for playground equipment renovations at Joan Lewis Park that is located in a low- and moderate-income area.

### **CDBG-CV EXPENDITURES**

The City of Dalton also received **\$552,811.00** in CDBG-CV funds through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). A total of **\$484,278.73** or **87.6%** in CDBG-CV funds were used to address a wide range of public services to prevent, prepare for, and respond to coronavirus since 2020. During the 2022 Program Year, the City of Dalton expended **\$64,916.39** in CDBG-CV funds for the food delivery program for low-income households and administration and planning. The following provides a highlight of some of the projects that were completed in 2022. A total of **\$19,166.39** of CDBG-CV funds was expended by the City of Dalton for administration and planning activities. The City of Dalton utilized **\$45,750.00** of CDBG-CV funds for its Food Delivery Program for low-income households.

**Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee’s program year goals.

Table 1 - Accomplishments - Program Year		Funding		Outcome				
Goal	Category	Source	Amount	Indicator	Expected	Actual	Unit of Measure	Percent complete
CDBG Planning and Administration	Other - CDBG Planning and Administration			Other	1	1	Other	100.00 %
Provide Public Services	Non-Housing Community Development			Indicator	Expected	Actual	Unit of Measure	Percent complete

				Public Facility or Infrastructure Activities for Low/Moderate Income Housing Benefit	16	16	Households Assisted	100.00 %

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

The City of Dalton completed all goals outlined in its 2022 Annual Action Plan by funding public services, public facility infrastructure improvement projects. The City of Dalton’s CDBG Program successfully accomplished its goals to support public service activities through its nonprofit partners: City of Refuge, Northwest Family Crisis Center, Friendship House, Latin American Association, Boys & Girls Clubs of Murray County. The City also provided funding to the Dalton Housing Authority for rental housing repairs for low income households, as well as conduct park improvements in low-income areas.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).  
91.520(a)

	<b>CDBG</b>
White	257
Black or African American	89
Asian	0
American Indian or American Native	0
Native Hawaiian or Other Pacific Islander	0
<b>Total</b>	<b>346</b>
Hispanic	7
Not Hispanic	339

**Table 1 – Table of assistance to racial and ethnic populations by source of funds**

### **Narrative**

The table above lists the numbers of beneficiaries by race and ethnicity assisted with HUD-Funded programs in 2022. The numbers reported for ethnicity do not reflect the same count as the total number reported by race. The variances could be attributed to refusal of information, errors at intake, or unwillingness to share information about ethnicity and/or race.

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	\$355,519.00	\$367,388.70

Table 2 - Resources Made Available

### Narrative

The City of Dalton received **\$355,519.00** in CDBG funding for 2022 and **\$552,811.00** in CDBG-CV funding. The amounts in Table 3 reflects the amount of funding available for CDBG and CDBG-CV in 2022.

### Expenditure of Program Funds

- CDBG IDIS Report PR26: \$367,388.70 in CDBG funds was expended in 2022.
- CDBG-CV Expenditure: \$64,916.39 in CDBG-CV funds was expended in 2022.
- IDIS Report PR56: 0.29 Expenditure Ratio in 2022.

### Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
Citywide	80%	80%	Citywide

Table 3 – Identify the geographic distribution and location of investments

### Narrative

The City recognized geographic regions with populations in need of affordable housing options. These areas include Census Tracts 4, 5.02, 10, 12, 13, 14 and 15. These areas have a dense population of low to moderate income families and minority concentrations.

2023 HUD LOW MOD SUMMARY DATA FOR CITY OF DALTON					
COUNTYNAME	TRACT	BLKGRP	LOWMOD	LOWMODUNIV	LOWMODPCT
Whitfield County	000400	5	1,005	1,590	63%
Whitfield County	000400	3	760	1,180	64%

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

Although, the CDBG program does not require matching funds, CDBG funds are typically leveraged through various private and public sources for the CDBG projects undertaken in 2022. Subrecipients that received CDBG funding also received funding from federal, state, local, and other resources. The City of Dalton did not utilize any publicly owned land or property located within the jurisdiction to address the needs identified in the plan.

## CR-20 - Affordable Housing 91.520(b)

**Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.**

The table below summarizes housing accomplishments in 2022 compared to the proposed production targets listed in the 2022 Annual Action Plan. The City of Dalton utilized available funding to increase affordable housing options for low and moderate-income.

	<b>One-Year Goal</b>	<b>Actual</b>
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	0	0
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

**Table 4 – Number of Households**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	16	16
Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>16</b>	<b>16</b>

**Table 5 – Number of Households Supported**

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The City of Dalton completed all goals outlined in its 2022 Annual Action Plan by funding public services, affordable rental rehabilitation, planning & administration, and public facility improvement activities.

**Discuss how these outcomes will impact future annual action plans.**

Future Annual Action Plans will provide additional information on program changes that are

currently in development as the City continues to determine the needs of residents in Dalton.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	278	0
Low-income	56	0
Moderate-income	12	0
<b>Total</b>	<b>346</b>	<b>0</b>

**Table 6 – Number of Households Served**

### **Narrative Information**

In an effort to address "worst-case needs," and detail the City's progress in meeting the needs of persons with disabilities the City will continue to leverage funds and create partnerships with outer agencies to provide enhances and professional services to those in need.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Dalton invests its CDBG funds in programs and services to meet the basic needs of the homeless population. The City of Dalton is a current member of the Georgia Balance of State Continuum of Care (BoSCoC) which consists of 152 predominantly rural counties in Georgia. Because of the volume of counties in the Georgia Balance of State Continuum of Care, it can be difficult to conduct this count in all 152 counties in the continuum. To meet this challenge, since 2009, DCA has partnered with institutions including Kennesaw State University's Burruss Institute and Simtech Solutions to develop a statistical model for predicting the rate of unsheltered homelessness in each county in the Balance of State jurisdiction utilizing data collected in sample counties.

Homeless services in Dalton are delivered through a community-based network of organizations that collaborate to help homeless families and individuals move toward self-sufficiency. In rural Georgia, the homeless population can be more difficult to see than in more urban areas. Every other year, the Balance of State Continuum of Care conducts a sheltered count by reaching out to homeless services programs in the Balance of State Continuum of Care to enumerate homeless individuals and families that were sleeping in emergency shelter and transitional housing programs on the night of the count which was January 27, 2023.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

Developing housing for homeless individuals is one of the most challenging aspects of affordable housing. Chronically homeless individuals need physical and mental health services in addition to housing which makes it extremely difficult for local providers to offer housing to homeless persons with the assurance that they will receive needed services in a timely and sufficient manner. Nevertheless, during FY2022 the City of Dalton utilized CDBG funding to provide assistance to nonprofits providing emergency shelter and transitional housing to women and children of domestic violence.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

Public systems or institutions (i.e. jails, prisons, hospitals, child welfare, mental health facilities, etc.) often release individuals directly into homelessness. The Open Doors Homeless Coalition coordinates release between the GA Balance of State (BoS) CoC and the foster care system, health care, mental health care, and correctional facilities.

For homeless families with children, a centralized intake is in place that seeks to mediate/prevent homelessness whenever possible, reduce the homeless episode for families through rapid rehousing and shelter/transitional housing focused on moving families from homelessness to permanent housing as soon as possible, and permanently house the most vulnerable families, as resources are available. The GA BoSCoC's prioritization process includes the use of the Vulnerability Index and Service Prioritization Decision Assistance Tool (VI-SPDAT). The VI-SPDAT is an evidence based triage tool that assesses vulnerability. Once assessed using the VI-SPDAT, an individual or family is given a score that corresponds with a recommended intervention. That score takes into account vulnerability across many levels including homeless history, risks, socialization and daily functioning, and wellness. Each intervention is prioritized by a subpopulation and secondary population.

For homeless individuals, the CoC uses the VI-SPDAT to identify the most vulnerable persons experiencing homelessness. The most vulnerable persons are given priority in permanent supportive housing.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City continues to coordinate its homeless activities to prevent individuals and families from becoming homeless and help individuals/families regain stability in current housing or permanent housing through local nonprofit organizations. Homeless services/domestic violence providers also utilize intensive case management to help homeless persons move from homelessness to permanent housing and independent living. Case managers identify gaps in the clients' life skills and support networks, and connect them to the appropriate resources (e.g. job skills training, mental health and substance abuse treatment, GED classes, etc.). The addition of wraparound services can shorten the period of time that individuals and families experience homelessness, increase access to affordable housing units, and reduce the incidence of chronic homelessness.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The City of Dalton supports the Housing Authority through an annual allotment of CDBG funds for facility upgrades for low income households. The HACD has also taken concerted steps to improving the living conditions of its residents over the last three years by completing HVAC upgrades to housing units that were built in the 60's and 70's. These facility upgrades will reduce housing related costs for low income households. Additionally, the HACD has also upgraded street appeal, such as exterior painting, new roofs, and landscaping.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The HACD is a privately managed and works with other nonprofit organization within the City to encourage self-sufficiency and homeownership.

### **Actions taken to provide assistance to troubled PHAs**

The authority is an independent entity, not directly controlled by the City of Dalton nor under the direction of the federal Department of Housing and Urban Development also and is not classified as a troubled PHA.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The City has collaborated with local non-profits agencies to allocate resources for transportation programs for the elderly, disabled, or low-income residents. The City has also worked with Whitfield County to review transportation planning efforts to advocate public infrastructure improvements that align with the goal of expanding housing choice.

In search for a solution for the education, testing, and enforcement the City will work with local agencies and sustain a robust public interest ad campaign to increase the public's awareness of housing discrimination and of the process for filing a complaint and increase opportunities for representation of victims of discrimination in the pursuit of legal recourse. The Dalton-Whitfield Community Development Corporate (DWCDC) participates in Dalton/Whitfield County Homeless Count each year on behalf of the City.

**Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The primary obstacle to meeting underserved needs is the limited resources available to address identified priorities. In the 2022 Action Plan, the City identified the greatest underserved needs of LMI residents were accessing safe, decent, affordable housing, assistance for non-profit collaboration, and infrastructure improvements.

One of the mechanisms the City uses to address obstacles in meeting underserved needs is encouraging collaboration among service providers to avoid duplication of services. During the program year, limited resources and increased need have brought about greater collaboration among non-profit organizations and other entities.

In 2022, emphasis was also placed on sustaining the availability of naturally occurring affordable housing for low-to-moderate-income persons, by effectively utilizing available resources. The City entered into contract with the Housing Authority existing affordable housing stock.

**Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

During the 2022 Program Year, the City did not utilize CDBG funds to address lead-based paint hazards. However, the City follows the local building codes and regulations on lead based paint (LBP) inspections and removal. The Whitfield County building inspector's office services the City of Dalton and currently adopts the State of Georgia requirements for LBP abatement. All CDBG sub-recipients are required to follow local and HUD requirements when disturbing LBP.

**Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

While no one program or service alone can reduce the number of Dalton residents living in poverty, the City's strategy for poverty reduction continues to support and coordinate a broad

array of services that address the various needs of Dalton's low-to-moderate-income individuals and families. The number of individuals and families receiving other potentially poverty reducing assistance during 2022 is reflected in the accomplishment data shown throughout this document.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City collaborates with local nonprofit housing and social service partners to carry out housing and community development activities. The City will continue to identify gaps and improve institutional structure by using the following strategies:

- Reduce and/or alleviate any gaps in services and expedite the delivery of housing and community development improvements to eligible persons by providing CDBG resources to local nonprofits.
- Evaluate the procurement process and guidelines for all rehabilitation and construction projects.
- Coordinate projects among City departments and support ongoing efforts for City initiatives.
- Maintain a strong working relationship with the Housing Authority of the City of Dalton based on the mutually shared goal of providing suitable housing for low-to-moderate-income persons.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City actively encourages local non-profit organizations to collaborate, leverage funds, and coordinate programs whenever possible. Cooperation, joint planning and implementation are necessary to ensure that vital services reach the City's residents.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

The City has an important role to play in removing the barriers to fair housing, but these impediments are systemic and require effort from both private and public sectors to correct. Implementation of the recommendation addressed in the AI, will assist the City of Dalton in achieving the reality of being an open and inclusive community that truly embraces fair housing choices for all residents.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City has established procedures to ensure that the CDBG program and sub-recipients comply with federal program requirements, City policies, and meet local and national goals. Monitoring responsibilities were carried out by the CDBG Program Manager, Finance Director, and Consultants. To ensure that all sub-recipients were in compliance with all applicable laws and regulations, activities for each agency are reviewed, as described below:

To ensure compliance, the application process was evaluated and documents of eligibility was recorded by standardize grading form. Sub-recipients were placed under contract for all CDBG funds. Monthly service reports were required from all agencies to document that at least 51% of clients benefited had low or moderate incomes. All drawdowns were received and reviewed by CDBG Program Manager prior to requesting funds. The program manager utilized a Risk Analysis Matrix for all sub-recipients to create a desktop review and provided onsite motoring and assistance as needed. The risk analysis focused on the following key areas: financial, management, national objective, and planning. Each sub-recipient was analyzed and graded based on risk assessment. Scores are low risk (0-30 points); moderate risk (31-50 points) and high risk (51-100 points).

### **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

Throughout the Annual Action Planning process, the City of Dalton encourages stakeholder and citizen participation. As such, on Wednesday, September 13, 2023, the City hosted a public hearing and 15-day Public Comment period about the accomplishments of the 2022 program year. Interested delegate agencies, citizens and various stakeholders have been encouraged to frequently review the website for more information on Community Development Block Grant program and reports. A Public Notice was advertised in the *Daily Citizen News* and on the City's CDBG website at <https://www.cityofdalton-ga.gov/?SEC=053ADC68-B6E2-4FC9-9514-31399989ECA9>.

All public notices informed residents who may have disabilities and/or speak limited English to contact our office for special accommodations if necessary. A copy of the advertisement is included in the appendix. There were no public comments received at the meeting.

## CR-45 - CDBG 91.520(c)

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

The City has not made any major changes to the objectives of the CDBG program in the last year. The program continues to focus on public services, public facilities improvements, and planning and administration.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

The City of Dalton is not a BEDI grantee.

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

N/A
