

## DALTON PARKS AND RECREATION DEPARTMENT

**706-278-5404**  
**904 Civic Drive**  
**Dalton, GA 30721**  
**[www.Mydprd.com](http://www.Mydprd.com)**

The Dalton Parks and Recreation Department invites you to submit competitive sealed proposals for the procurement of athletic equipment for the year 2024.

Please mail or hand deliver your response to the City of Dalton-Finance Department at 300 W. Waugh Street, Dalton, GA 30720, in a **sealed envelope clearly marked "Dalton Parks and Recreation Department- Youth Athletics-RFP."** Failure to properly label may result in your response being opened in error or not routed to the proper location for consideration. The deadline for receiving proposals is 3:00 pm on February 7th. No response to the proposal will be accepted after the date and time specified.

We acknowledge that not all vendors may be able to response on all requested items. Kindly submit proposals solely for the items or equipment in which you possess expertise.

Below are instructions and requests to guide you while putting together your proposal.

1. All vendors are required to utilize the provided price sheet. If additional space is necessary, kindly use the Item # or name as a cross-reference on a separate sheet of paper.
2. Brand names are specified for most items and are the preferred choice; however, equivalent items will be duly considered.
3. Prior to the bid opening, if an equivalent item is included in the bid, provide a sample for review by the Dalton Parks and Recreation Department (DPRD) to determine its quality and suitability.
4. Include the turnaround time from the date the item is ordered to the anticipated delivery date in your bid.
5. Please furnish the cost of a single item, and if applicable, delineate any pricing tiers for varying quantities. *For instance, if purchasing 10 football helmets, specify the price per item, such as a reduction from \$120 to \$118.*
6. All-inclusive proposal prices are expected to encompass all associated expenses, including but not limited to shipping, handling, insurance, and any additional charges. Ensure that your proposal prices comprehensively cover these aspects.

Vendor must fully complete the vendor packet prior to submitting a proposal.
